

Snippets Quiltalong

I am so excited that you have decided to join in on the Snippets Quiltalong! First off, this is just an informal guideline to help work your way through the quilt – if your pace is faster or slower – that is no problem at all! The only rule to this quiltalong is to have fun and encourage one another! So lets dive in!

Materials

To complete your Snippets quilt top, you will need:

- The Snippets Quilt Pattern by Bonnie Olaveson of Cotton Way
It can be purchased at her website www.cottonway.com
- 6 Charm Packs or 224 5"x5" squares
- 5 yards of 44" fabric for your background
- 1 yard of 44" fabric for your border

Getting Started

The process is really simple, make 4 blocks a week and by early August you will have a completed Snippets quilt top!
